

## Safeguarding Policy

### Statement

- The Knowle Village Hall Committee and its volunteers have a duty to safeguard vulnerable users of the hall and its premises and also those who may come into contact with vulnerable users.
- They should respond to any concerns they may have regarding the physical, sexual, emotional or psychological safety of a vulnerable person or concerns relating to discriminatory or financial violation or exploitation of a vulnerable person.
- This policy is in place to protect all vulnerable persons regardless of age, gender, ethnicity, disability, sexuality, religion or faith. This policy applies to users of the village hall, storage garages and play area.

### Principles

- The welfare of the child or vulnerable adult is paramount and is the responsibility of everyone. All children and vulnerable adults, without exception, have the right to protection from abuse, whether physical, verbal, sexual, bullying, exclusion or neglect. Bullying, shouting, physical violence, sexism and racism towards children or vulnerable adults will not be permitted or tolerated.
- The responsibility for ensuring the safety of children or vulnerable adults while at the hall rests with the individual or organisation hiring the hall.

### Policy Statement

- No member of the committee, helpers or other volunteers will have unsupervised access to children or vulnerable adults (other than their own family).
- All suspicions or allegations of abuse against a child will be taken seriously and dealt with speedily and appropriately.
- All volunteers need to be aware of this policy, child protection, and vulnerable adult issues. A copy of the appendices will be provided to all whom request it.
- There will be a nominated and named Vulnerable Users representative to whom any suspicions or concerns should be reported. This person is *Matt Healey - Committee member*
- The Knowle Village Hall Committee will endeavour to keep the premises safe for use by children and vulnerable adults. They recognise that a higher standard of safety is required where use is made by small children, those who cannot read safety notices and physically disabled adults.
- Any organisations or individuals hiring the hall for the purposes of holding activities involving children or vulnerable adults are confirming by signing the terms and conditions of booking that they have appropriate safeguarding policy in place.
- The Knowle Village Hall Committee will ensure that hirers are aware that no children may be admitted to films when they are below the age classification for the film or show.
- This policy and procedures will be reviewed annually and updated as appropriate in the interim periods.

### Useful Procedures

- All committee members and volunteers will be given information about child protection awareness (<https://www.nspcc.org.uk/what-you-can-do/get-expert-training/child-protection-introduction/>).
- An annual review will take place following the AGM to allow for any required update of policies and or procedures.
- New committee members and, volunteers must be given an induction to this policy and understand their responsibilities.
- A copy of the policy will be displayed for the attention of all in the village hall and made available on request to hirers.
- Organisations hiring the hall for activities for children will be asked to confirm that they have suitable Child Protection policies in place before the first booking commences. Individuals hiring the hall for activities for children will be made aware of this policy.
- Organisations hiring the hall for activities specifically involving vulnerable adults will be asked to confirm that they have a suitable Vulnerable Adults Protection policy before the first booking commences. Other organisations hiring the hall whose activities may involve vulnerable adults will be made aware of this policy.
- The committee will require hirers to report any damage, breakages or safety issues needing attention to the booking administrator, who will inform the appropriate people. These will be dealt with as soon as practicable, in the light of the circumstances, with provision to prevent access by children and vulnerable adults pending repair where appropriate.
- A hiring agreement which includes appropriate clauses will be entered into for all hirings for licensable activities. The committee will ensure that these provisions are observed when holding any licensable activities itself.
- The supervision of all groups remains the responsibility of the people who hire the hall and sign the terms and conditions of booking.
